## What do you know about Forex trading ?

Forex trading, also known as foreign exchange trading, involves the buying and selling of currencies on the global market. It is the largest and most liquid financial market in the world, where traders and investors speculate on the fluctuations in currency prices to profit from the differences in exchange rates. Forex trading operates 24 hours a day, five days a week, across different time zones, allowing participants to trade currencies from various countries. It plays a crucial role in global commerce, facilitating international trade and investment by enabling businesses and individuals to exchange one currency for another.
